## MEDIA JUSTICE SUMMIT

December 6, 2008, 8:00 AM to 5:00 PM

Dear Friends,

On Saturday, December 6th, 2008, Fund for Idaho is hosting a **Media Justice Summit**. We hope you will join us. This event is designed for Progressive Idaho nonprofit organizations and individuals concerned about social and environmental justice. The world portrayed in most mass media--whether the nightly news or a drama or sit-com--overtly or covertly represents and reflects the status quo. Driven by its ownership, economics and hiring practices, mainstream media has long ignored voices calling for new agendas and a new hierarchy of values. **It is time for a change.**

### Registration

Space for this event will be limited, so please register early to reserve your spot. [CLICK HERE TO REGISTER FOR THE SUMMIT.](#)

### Summit Agenda

The summit will bring together experts on media at the national, regional and local level to help increase our understanding of who owns the media, how that limits the stories that are covered, what alternative and non-mainstream media we can use, and what we can do to more effectively get out the word about the exciting and innovative grassroots work being done to create greater social justice and a healthier environment in Idaho.

If you have any questions, please call Gail or Erin at 208-343-1744. We look forward to seeing you there.

The summit will run from 8:00 AM to 5:00 PM on Saturday, December 6th, 2008.
